Iconic Portland Boat Show Promises Best Deals and Selection of 2025 It's The West's Largest Display of Trailerable Boats

Portland, OR— The 65th Annual Portland Boat Show returns to the Expo Center this January 8th-12th, 2025. One of the largest sportfishing boat shows in the nation, the Portland Boat Show plays host to the full spectrum of Northwest boating opportunities including: ski, wakeboard and wakesurfing boats, pontoons, cruisers, pleasure boats and runabouts, PWC's and much more! The Portland Boat Show features hundreds of boats to shop, compare and buy, side-by-side, under one roof.

"We've made boat shopping easy with the largest mix of dealers, boats and boat manufacturers in years! Many of the 2025 boat lines will include new models", said Portland Boat Show manager, Peter O'Loughlin. "There's more than 250,000 square feet of heated indoor exhibit space." Don't miss what's new in power options, boats and boating accessories (marine electronics, crab traps, safety gear and ski and wakeboard products) at this show. The Englund Marine Accessory Sale is one of several boating shopping stops at the show. Thanks to Schooner Creek Boat Works, Junior Boat Building is back for the 2025 show. This is free to kids, it's their opportunity to build their own model boat they can keep! Also returning, is the Pre-Owned Boat Sale – many different types of previously owned boats and watercraft from local dealers. Visit pdxboatshow.com for info, directions, coupons and parking discounts!

WHO: The Northwest's top boat dealers and manufacturers showcase the very best and most popular brands and boat models in northwest boating.
